Dear Doctor Allen:

Under separate cover I am mailing you some caps for the ends of your golf clubs and also some of the little buttons out of the center of the caps. I believe you can get some of the boys probably to put these in for you, but if not, if you will send the clubs down or bring them the first time you come, I will have the boys here fix them. I believe, however, if you get a little good marine glue these will hold for you.

JET:G

Yours sincerely,

J. E. Turner
