

April 24, 1939.

Mr. Earnest Boyce,
State Board of Health,
Marvin Hall.

Dear Mr. Boyce:

I am sending you a carbon copy of the letter I have sent to Mr. H. W. Craig, of the University of Illinois, in reply to a letter I received from him. I would appreciate it very much if you will be kind enough to give him the benefit of your experiences and the knowledge gained by the Conference on Public Swimming Pools.

Permit me to congratulate you on the manner in which this conference was handled. I thought you did a great job of it. I mixed with the different individuals who came from various towns and they were highly pleased with the information that they received. It is a pleasure for the Department of Physical Education to cooperate in their small way toward making this a fine and instructive meeting.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
