Dear Mr. Allen:

I wish to thank you for your kindness in making it possible for us to show the films, "Play Ball, America", to our baseball class. Other classes of physical education students who were interested were invited in to see the show, and altogether we had a very enthusiastic group of a hundred students. Everyone enjoyed seeing the pictures.

We are returning the films today to Burton Holmes, at Chicago, as per instructions.

Again thanking you for your courtesy, I am

Very sincerely yours,

Director of Physical Education and Recreation,
