TELEPHONE, VALENTINE 6378

3030 WYOMING STREET

KANSAS CITY, MISSOURI

June 2, 1943

University of Kansas,
Lawrence, Kansas

Attention of F.C.Allen

Gentlemen:

We have your letter of May 28th., regarding broken tile in your swimming pool. Replacing the broken tile would not necessarily correct the leakages. In all probability faulty construction in back of the tile is causing the seepage.

However, if you wish a price on replacing the tile we will be glad to quote you on same, but would not guarantee this would stop the seepage.

Yours very truly,

KANSAS CITY MARBLE AND TILE COMPANY
