Dear Mr. Livingston:

We are now writing to several firms in Kansas City asking for an estimate on the cost of rebuilding our swimming pool, making it standard length of 60 feet, with a sloping floor, replacing all the tile, and adding scum gutters.

We would also appreciate your suggestions on the sanitation of a modern pool. If you are coming to Lawrence in the next few days I will be glad to talk with you about it. I hope to have some definite figures to present to the Chancellor.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
