Gentlemen:

We are in receipt of your favor of Aug. 18th., re: Swimming Pool.

We should be glad to make you sketches and estimates on this work if you will let us know what you have in mind to use.

In order to assist you in your selection, we are enclosing herewith one plate "Swimming Pool Data" which shows the various gutters which are being used, and one folder "Increasing the lure of the swimming pool" which shows cuts of existing pools.

If you desire one or another layout, please mark them with comments and return same, as we have no copies of these plates.

You mention the length (60 feet), which is the width and what are the depths of your pool?

Yours very truly,

KANSAS CITY MARBLE AND TILE COMPANY
