Chancellor Deane W. Malott,
University of Kansas.

Dear Chancellor Malott:

Mr. W. S. Shatto, of the Slater Tile and Mantel Company, of Kansas City, was in this morning measuring the pool for an estimate. He estimates that over eighty per cent of the tile are bad. However, I will wait for his bid, along with the rest, before submitting it to the budget committee.

He is not at all optimistic about plugging the leaks in this outmoded pool. We took up all the features, such as scum-gutters, and so forth, and he will get a bid to us in a short while.

Very cordially yours,
