Salina, Kansas

Dear Mr. Anderson:

I have just had a letter from Dan Bolen in which he tells me that he has had a talk with you and that you and Gene are interested in the University of Kansas. I assure you that we are interested in Gene's attending the University. I had a short visit with Gene when I spoke at their championship banquet last spring.

As soon as I can get away from my office duties here at the University, I would like to run out to Salina and talk with you and Gene. Will you write me and let me know if you will be in Salina the rest of the month.

I am pretty much tied up here this week, but should be freer the week following. I will thank you for an early reply at your convenience.

Sincerely,

Forrest C. Allen
