Mr. Forrest C. Allen  
University of Kansas  
Lawrence, Kansas

Dear Mr. Allen:

Gene and I would be glad to see you whenever you are in Salina. As Gene may have told you, he has not been able to definitely plan on going to college as he will be eighteen years old September 22, 1945. Also he is 6 feet 5-3/4 inches in height, which may or may not bar him from entering the Armed Forces.

Dan Bolen may have told you that Gene will need assistance to go to college, which may increase during the reconversion period. However, the main object, of course, is to complete his education.

Gene feels as I do, that, if he has the ability to play good basketball, he would like to go to Kansas University where coaching and records are the best.

Thank you for your kind interest.

Sincerely yours,

Carl Anderson
