Mr. Carl Anderson  
252 North Eighth St.  
Salina, Kansas

Dear Mr. Anderson:

I am still tied up with heavy details here at my office and have been unable to get away. However, I talked to Mr. E. C. Quigley, our Athletic Director, this morning, and he is hoping to get out to Salina to see you and Gene tomorrow.

The draft situation is still a moot point. I happen to be secretary of our Selective Service System here, but I know no more than any one else until we are advised from headquarters. <sup>Yes</sup> ~~Yesterday~~, Dan Bolon told me that Gene will need assistance to go to college. Please speak very frankly to Mr. Quigley and I know he will be frank indeed to you.

I am still hoping to get out your way because I want to have a talk with you and your family. I am very much interested in Gene attending the University of Kansas and I trust that this may be brought about.

It would be a great pleasure for us to have Gene here, and it would be an added pleasure to have you and your family come up to see him play for the University. With every good wish, I am,

Sincerely yours,

Forrest C. Allen  
Director, Physical Education
