Mr. Gene Anderson

Salina, Kansas

Dear Gene:

I was mighty happy to have your telephone call night before last. I am planning to get out to see you at the earliest possible moment, but there are some matters here regarding the building of some gymnastic equipment for the Navy that I am responsible for. As director of physical education it is up to us to provide facilities for physical training for the V-12 boys. There are some things that are requiring my immediate attention so that I must be here for a few days. As soon as I get this cleared up I will immediately get in touch with you by phone and I will run out and see you.

I want to keep you advised regarding these matters.  
With all good wishes, I am

Sincerely,

Forrest C. Allen  
Director, Physical Education
