Department of Physical Education
University of Kansas
Lawrence, Kansas

Dear Sirs:

On January 20 we received from your office purchase request No. 9040 for a renewal of professional membership in this Association beginning February, 1940. On checking our files I find that your Department already has a professional membership paid until January, 1941. I did not make this discovery until after the bill for the second membership had been sent out. Please let me know whether this second order is a duplication or whether you wish two memberships. If you do not wish to order a second membership you may disregard the bill which was sent you.

Sincerely yours

Elizabeth Noyes
Assistant Secretary
