

June 25, 1943.

To The Budget Committee:

I desire to make a further report on the progress being made on our swimming pool.

Mr. Branchfield, the steamfitter for the E. W. Bacharach Company, arrived late Tuesday afternoon. He looked over the situation, assembled his tools, and secured some men to help him. Work was started on Wednesday of this week, and we have confidence that the job will be finished by the first of July.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
