

League Games Begin June 23

All persons interested in playing softball this summer will meet at 4:30 Friday in room 204, Robinson gymnasium. Players should get in touch with Dr. Forrest C. "Phog" Allen by telephone, if it is not possible for them to be present at the Friday meeting.

The softball season gets off to an early start this summer with three games scheduled for Monday, June 23, when the Sooners will play the Cornhuskers, the Wildcats will play the Jayhawkers, and the Cyclones will play the Tigers.

The games will be held, as formerly, on the intramural fields south of the campus behind Robinson gymnasium. There will be no admission charge, and one game between the league champions and an all-star team will be offered as an extra attraction at the end of the season.

Umpires will be Doctor Allen; J. W. Twente, professor of education; and E. R. Elbel, associate professor of physical education.

There will be two games each week, one on Monday and one on Wednesday.
