

Eat, Sing And Dance Tonight

All students in the University with their families and friends will assemble tonight at 5:30 on the Campus Quadrangle for the All-University picnic.

The playground will be opened at 5:30, and the picnic supper will be served at 6 by the cafeteria staff under the supervision of Miss Hermina Zipple, director of the Memorial Union. The picnic is sponsored by the class in community recreation.

The regular playground will be open as usual with added attractions. Group singing will be led by Dean Hirschler, visiting professor of Fine Arts from the College of Emporia, gymnastic stunts by John Cress of the community recreation class, and the Cornmeal Cakewalk in the street just west of the Anatomy building. Marjorie Henry's all-girl orchestra will furnish music for dancing.

The evening's entertainment will end by 8:20, in time for students to see the play, "Penny Wise" which is being presented in Fraser theater at 8:30.

Tickets for the picnic supper, costing 35 cents, may be obtained at the School of Education office, Business office, Physical Education office, or the Memorial Union building.

Farewell Cakewalk Tonight

The "Farewell Cornmeal Campus Cakewalk" featuring the popular rhythms of Russ Chambers and his band will be held tonight from 8 to 9:30 on the concrete ballroom between Fowler Shops and the Anatomy building.

Dr. F. C. Allen, director of the recreation program, said that the street dances have been well-received this summer by students in the Summer Session. Each dance has included some waltz numbers for the older students. In addition, up until a week or so ago, the weather has been unnaturally cool, and this has added to the dancers' enjoyment.

Street dancing was begun in last year's Summer Session, under the direction of Doctor Allen. The idea was so popular that it was made an integral part of the famous Dandelion Day of the regular session last spring.

"If you have been unable to attend any of the dances held in our open air ballroom, you certainly owe it to yourself to come to this last dance, and see how much you can enjoy yourself," Doctor Allen said.
