Mr. H. C. Chandler
University of Kansas
Lawrence, Kansas

Dear Mr. Chandler.

Pursuant to our conversation, we have arranged for Russell Chambers to play for our weekly dances for six weeks in the Union Building. He will have a nine-piece orchestra. It is a student organization. Sidney Dawson, a colored boy, is their high-light singer. This is the old Clyde Bysom band.

We are to pay sixty dollars for six weeks. Ten dollars for weekly engagements. I was informed by Russ Chambers that Mr. Wiley and the band camp would give help to us and pay a similar amount. Yesterday afternoon I talked with Mr. Wiley and it seems that Mr. Chambers and he had not worked out every detail. It is possible that Mr. Wiley may not join us.

Russ Chambers was expecting to get ten dollars from the band camp and ten dollars from us. But, Mr. Chambers called me and said that even though the arrangements had not gone through with Mr. Wiley yet, even if it should fail, that they would keep their word and play out the schedule for us at our original price of ten dollars.

I thought this was a very fine spirit and I'm sure that we will stimulate the interest among the Hill students for this popular attraction. We will plan to use the outdoor street dances if the Union Building gets too warm. There's still a little uncertainty regarding the best available night for the dances. We're working on this and will notify you definitely as soon as the date is set.

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.

Mr. H. E. Chandler
Assistant Director
Summer Session
University of Kansas

Dear Mr. Chandler:

Confirming our telephone conversation of yesterday morning, I beg to acknowledge receipt of your letter of the 24th in regard to the addition of course 39, "Elementary School Playground Activities," to the Summer Session program with Mrs. Josephine Sams as instructor. I understand that this is to be announced on a contingent basis. It will be offered only if ten or more students actually enroll.

I will arrange to have a conference with Dean Schwegler regarding the remuneration being in line with the University scale.

I also wish to thank you for your offer to have a mimeographed announcement sent to all county school superintendents, boosting the possible enrollment in this course.

I will also have a conference with Dr. Elbel and the members of the faculty here with the idea in mind of getting some instructors started in the women's department so that we can build for another summer.

Very cordially yours,

Dr. F. C. Allen

Dear Dr. Allen:

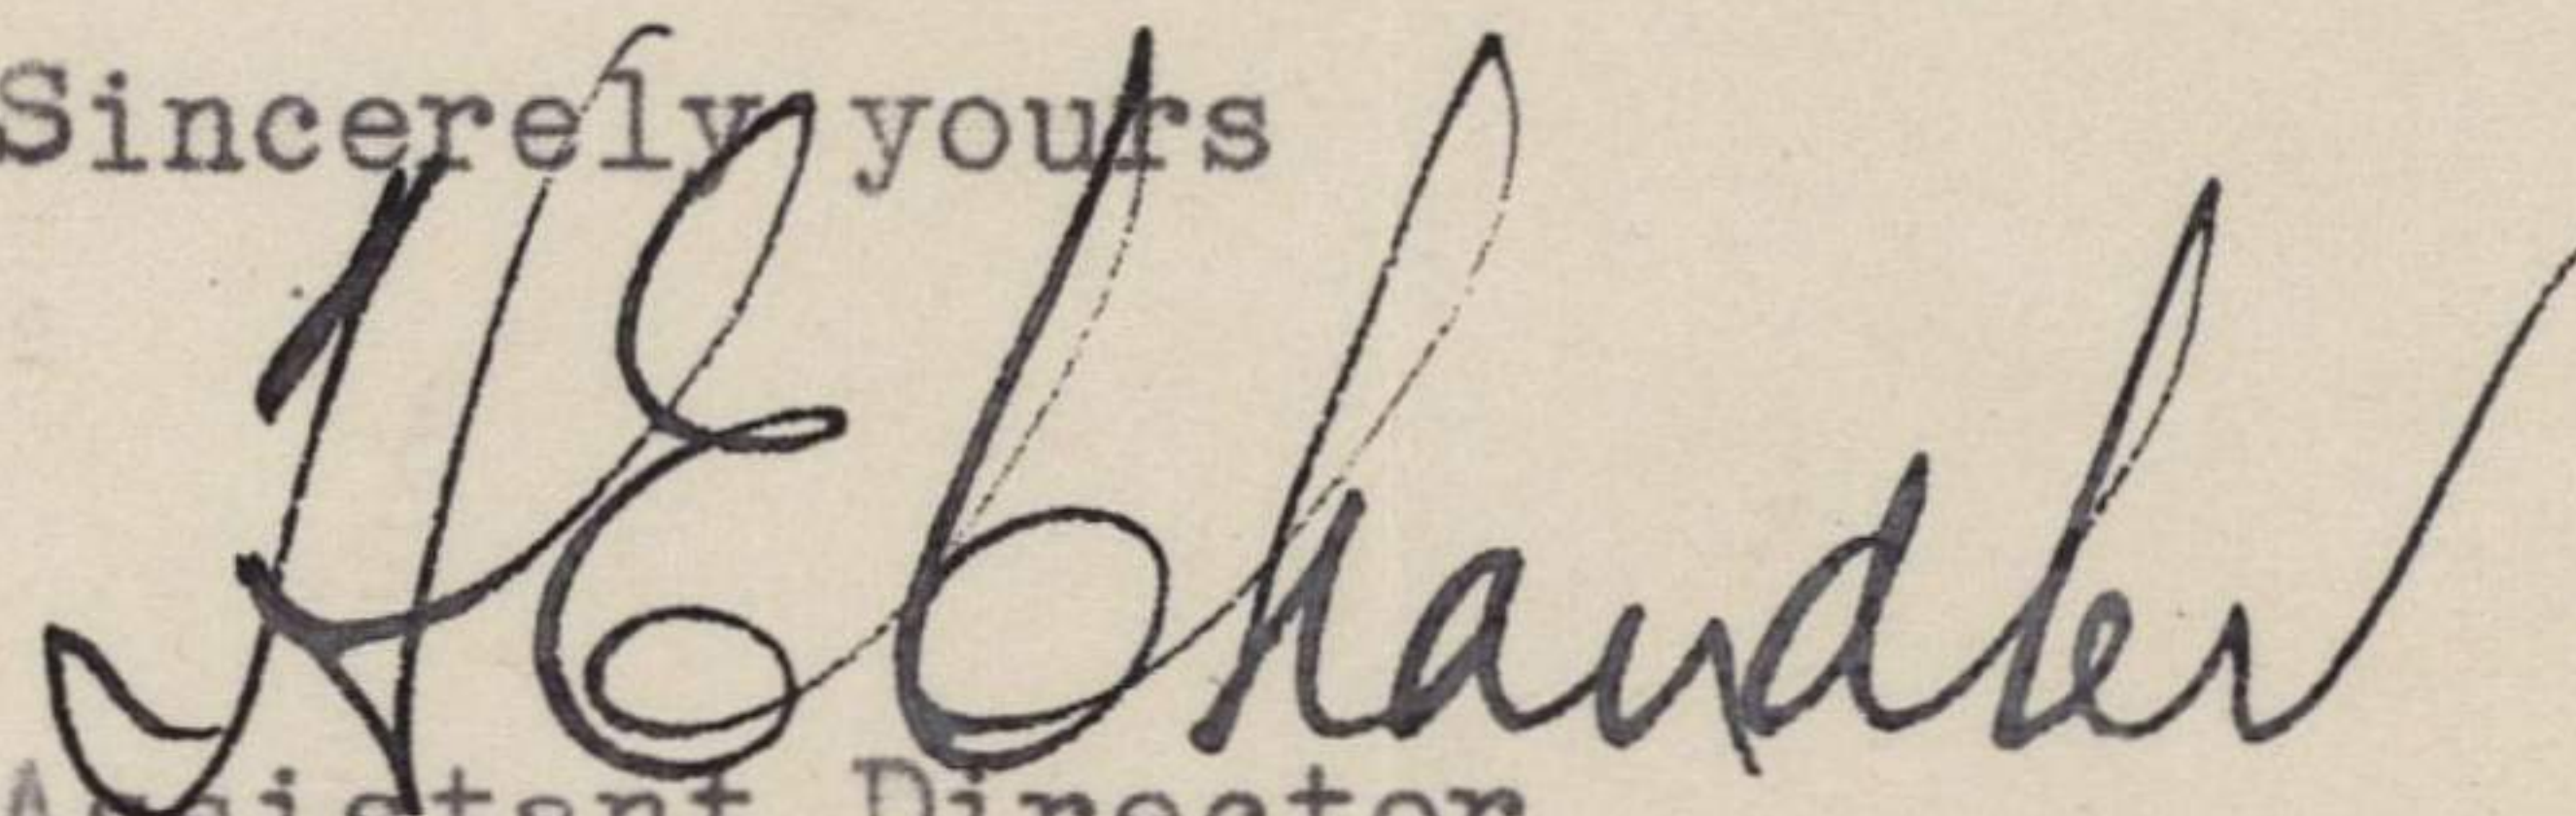

I have just had a notice from Raymond Nichols, Executive Secretary to the Chancellor, regarding action taken at a meeting of the budget committee on February 21. The following is taken from the minutes of the meeting:

"On the request of Dr. Allen for an allowance to add course 39, Elementary School Playground Activities, to the Summer Session program with Mrs. Josephine Sams as instructor, it was agreed that the course be announced on a contingent basis, to be offered only if ten or more students actually enroll; the salary to be in line with the University scale if the enrollment materializes."

I am sending you this notice because Dean Schwegler is out of town and will not be back before the last of next week.

When you have a little time, I should be glad to discuss with you some methods of getting out information in regard to this course. Our catalogues are already printed and mailed.

Dear Dr. Nash:

Mr. Wilkinson, a member of my Community Recreation class, has told me of your willingness to conduct a Reading Clinic on the out-of-door stage some evening next summer as a part of our summer program.

I think this is a splendid idea, and I want you to know that you will have our full cooperation. Let us count definitely on this. I believe we would find not only a great number of Summer Session students interested, but also a great number of townspeople.
