

SPECIAL RECREATION FUND

Summer Session 1940

The recreation program for summer session students was most effectively planned and carried out under the direction of Dr. F. C. Allen and his class in Principles of Community Recreation. The evening programs from seven to nine o'clock were especially well attended. The picnics and the open air dance attracted large crowds. The students were enthusiastic in their praise of the program. It should be continued next year.

The budget committee allotted the sum of \$300.00 to be paid from balances in the maintenance fund for special equipment and supplies for recreational purposes. This allotment was expended as follows:

Installing, operating, removing and storing floodlighting equipment. .	\$139.23
Lumber for backstops & shuffleboard	33.36
