

Summer Session Sports Program To Be Opened Monday on Fowler Lawn

By Clavelle Holden

The summer recreation program will get under way Monday night when the organized playground will be opened, Dr. F. C. Allen, director of the Summer Session recreation program, announced yesterday.

The playground will be on the lawn in front of Fowler shops, or just east of the gymnasium. The playground will be open every night, except Saturday and Sunday, from 7 to 9 o'clock.

Use of the play facilities is not limited to students, everyone is invited to attend, and special play arrangements will be made for the children, Doctor Allen said.

The following games will be available on the playground, which will be lighted by large floodlights; croquet, Shuffleboard, volleyball, badminton, goal-hi, loop tennis, box hockey, deck tennis, ping pong, handball, and archery.

Dave Shirk and Josephine Sams will be in charge of the playground,

working under Doctor Allen's direction.

The softball leagues will be formed next week. Doctor Allen will call a meeting of everyone interested in playing softball, and at that meeting teams and leagues will be formed. Present plans call for golf and tennis tournaments later in the summer.
