Hurry, Hurry, Hurry— Th' Injuns Are Comin'!

An enlarged version of the annual Summer Session picnic will be held Wednesday evening on the quadrangle between Robinson gymnasium and the Anatomy building. An extensive program is planned for all who attend.

Several features of interest which will be new this year are included in the plans. Pictures of the K.U. basketball team in action against Rice, Southern California, and Indiana will be shown for the first time. Haskell Institute will send several dancers in complete tribal regalia to demonstrate Indian dances, and will also send several boxers to entertain the expected large crowd.

The picnic will start with games at 5 o'clock, and a picnic lunch will be served at 6. After the lunch, the program will begin. In addition to

the affairs already noted, the University band under the direction of Russell L. Wiley will play, and Miss Irene Oliver, of the School of Fine Arts faculty, will lead the group singing.

The picnic starts an extensive program of summer activity for faculty, students, and members of their families. The program is under the direction of Dr. F. C. Allen, and is designed to fit the interests of persons of all ages.

In event of rain, the affair will be held in Robinson gymnasium. Tickets are on sale at the Recreation office, the hostess desk in the Memorial Union building, and the Physical Education office. Adult tickets are 35 cents, and children's tickets are 20 cents.
