

Softball Teams In Round Two

7-19-40

All soft ball teams got under way Monday afternoon in beginning the second round of the schedule. Probably the high light of the afternoon was the rejuvenated play of the Jayhawks who succeeded in producing a five run rally in the first half of the seventh inning to defeat the Cornhuskers who were co-holders of the first position.

It is interesting to note the better quality of play being shown by the 'Hawks in their recent games. They are taking advantages of the breaks and may heckle any nine contending for championship honors.

Both teams seemed to be evenly matched throughout the game. First one team and then the other would take the lead. In the first of the seventh the Jayhawk bats began to ring and they were able to tally five runs which placed them on top by a 10-5 score at the finish.

The highly touted Tigers were able to regain undisputed position of first place in shutting off the hot air from the bats of the windy Cyclones and winning, 8 to 2. Milt Allen pitched an exceptionally good game.

The Sooners and Wildcats finished up the afternoon with the 'cats taking a close 4 to 1 decision.

In Wednesday's games the Jayhawks bore into the side of the Cyclones and succeeded in squeezing through with a 13 to 12 win. The losers went into the last half of the seventh five runs behind and succeeded in collecting four runs before the rally was nipped. This game, in consideration of the outcome of the others, should carry the 'Hawks out of the cellar position which they have held from the first of the season.

The Wildcats were able to recover from their Monday's defeat and wallop the Cornhuskers, 16 to 4. The winners wasted little time in starting. They collected four runs in the first and nine in the third and also added to their total in the second and fifth innings. Bob Allen had to take over pitching duties for the Huskers without a great deal of warm-up. Lawrence hurled for the winners and held his opponents to one run in the

fourth, two in the fifth and one in the 7th inning.

The mighty Tigers and the hard luck Sooners finished up the afternoon of baseball with the victory going to the league-leading Tigers. A total of 19 runs was chalked up for the winners against 10 for the losers. The Sooners played under a terrible handicap with only an eight man team.
