

Wildcats Twist The Tigers' Tail

The Big Six National League softball games went into the third week of competition Monday afternoon with a mighty upset of the powerful Tiger aggregation at the hands of the strong Wildcats.

The Tigers had shown strong possibilities of being able to complete the season without a defeat. However, they met their betters in losing to the rejuvenated Wildcats 21 to 10. The outcome of the game was certain from the beginning as the winners scored in every inning except the first.

Coming up in standing each game are the hard fighting Cornhuskers who took the air out of the windy Cyclones to the tune of 26 to 10. They began the first inning scoring 5 runs to their opponents 1.

The lowly Sooners and Jayhawks fought each other with the Sooners pushing the 'Hawks into a sub-basement level by a score of 15 to 5. The losers allowed their opponents to score 8 runs in the first inning, which proved too great an obstacle to overcome.

The first half of the summer schedule was finished with the games Wednesday. This finds the Tigers and Cyclones tied for first place, the Cyclones in second and the Wildcats, Jayhawkers and sooners tied for last position.

There was some indication that the second half on the schedule will show some change in team position in that the Jayhawks, who failed to win a game in their first four starts, were successful in defeating the Wildcats in a hectic game which ended in a 20 to 19 victory for the 'Hawks. Incidentally the Wildcats were the team who upset the highly tutored Tigers. The 'Hawks may be down but not out.

The Cyclones had little trouble in defeating the Sooners by the top heavy score of 15 to 3. The winners were able to collect 12 runs in the first three innings while their opponents failed to score until the last inning.

The two leading rivals met this afternoon with the Tigers coming back after defeat to down the Cornhuskers 14 to 7. The winners led all of the way.

Line-up of Last Wednesday's Games

Jayhawks:

Keeler, Pitts, Hays, Zerger, Zerger, Butrum, Lawrence, Barlow.

Wildcats:

Frost, Forker, Powell, Sipes, Blowey, Flaherty, Glattfelter, Tewell, Kuebler.

Tigers	4	1
Cyclones	3	2
Jayhawkers	1	4
Sooners	1	4
Wildcats	1	4

GAMES MONDAY

Sooners vs. Wildcats.

Cyclones vs. Tigers.

Jayhawkers vs. Cornhuskers.

Softball Season Nears the End

Six games in the "last chance" week of play are keeping the Big Six National Softball Leaguers busy as the season draws to a close, with the Sooners meeting the Jayhawks on diamond No. 3, the Huskers and Cyclones tangling on No. 2, and the Wildcats battling the Tigers on No. 1 tomorrow afternoon.

The league-leading Tigers played the Jayhawks yesterday, while the Sooners met the Huskers and the Wildcats and Cyclones squared off to get three of the games out of the way. Next week will see the application of the finishing touches to the summer session season, after which a game between the pennant winners and an all-star team chosen from the other teams will vie for more honors.

Tentatively scheduled is a game between the winner of that soiree and an all-star aggregation from Lawrence, but no definite arrangements have been completed as yet, Dr. F. C. Allen, director of the summer session recreation program, said today. The game, if plans to hold it materialize by then, will be announced in Friday's Kansan.
