Dear Miss Curd:

No doubt you are already making plans for Summer School this summer. For your information I am sending you a list of the graduate courses you have taken in the Department of Physical Education, and also telling you what we expect to offer this coming summer.

You have taken #312 Seminar, and #300 Specific Problems in Physical Education. This summer we are offering, in addition to the courses you have already had, #100 Principles of Community Recreation, #200 Theory & Practice of Athletic Training or #201 Advanced Basketball and #202 Administration of Physical Education.

I trust that you will be with us again this summer, and that you will enjoy your work here.

With best wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
