

**Recreation Class To Give
'Splash' Party Tuesday 4 1939**

In response to requests for an hour of co-recreational swimming, Doctor Allen's class in Community Recreation has planned a "splash" party for Tuesday evening. The pool will open at 8 o'clock and close on hour later.

The program includes a general swim period with stunt diving exhibitions and water polo exhibitions as highlights. Seats will be available for spectators.

**JUL 18 1939
SPLASH PARTY**

Come out for a swim Tuesday evening in the University pool! Doctor Allen's class in Community Recreation invites all Summer Session students to the Splash Party at 8 o'clock... There will be free swimming, exhibitions of diving and other entertainment. Seats will be provided for spectators who do not wish to go in the water.

FRIDAY, JULY 21, 1939

**JUL 21 1939
All-School Splash Party Is a Success**

The "Splash Party" held at the swimming pool in Robinson Gymnasium on Tuesday night, July 18, turned out to be one of the most enjoyable evenings of the summer. In addition to an excellent program planned by Dorothy Gehret and Delmar Branson, members of Doctor Allen's class in Community Recreation, the party afforded an opportunity for summer session students to enjoy co-recreational swimming. Between 75 and 100 persons were crowded in the pool and around the sidelines.

Special diving exhibitions were given by Mary Learnard and Lloyd Koelling, and a men's water polo game was played by the following men: Roy Jindra, Ed Hyatt, Lloyd Koelling, Gene Billups, Carl Friesen, August Anneberg, and Frank Anneberg. Frank Anneberg did some clown stunts off the diving board.

Announcement was made that another "Splash Party" would be held Thursday evening, July 20, and one the following Thursday, July 27. On Tuesday evening, July 25, at 8 o'clock the University pool will be open for married couples, summer session students and faculty members.

Co-Recreational Splash Parties' Success Calls For Another Tonight

Doctor Allen's class in Community Recreation gave the second co-recreational splash party Thursday evening. Featured on the program were Bobby and Joanne Nash, Geraldine Ulm and Evelyn Herriman. A flutterboard race between men and women was won by Miss Herriman.

The next splash party will be held tonight, in the University pool from 8 to 9 o'clock, at which time there will be opportunity for general swimming. Another interesting program is being arranged.

Thursday evening, the pool will be open to married couples in the Summer Session for a quiet evening of swimming. The pool will be open from 7:30 to 8:30 for this event.

Final Co-recreational Splash Party Slated For Tonight AUG 1 1939

The final co-recreational splash party will be held tonight at the pool in Robinson gymnasium. The pool will be open at 8 o'clock. The program for tonight will consist of general swimming and races. Everyone is welcome, whether you go in the water or sit on the sidelines. Seats will be available for spectators.

Thursday night from 7:30 to 8:30 has been set aside for husbands and wives of the Summer Session who desire to swim together.

CAMPUS CALENDAR

TODAY: Recreational hour evening from 7 to 8:30 at Quadrangle east of Robinson gym; All-School picnic, 4:30, Brown's Grove; Band school gets underway; Phi Kappa will meet at 1:30 in the Pine room in the Union Building.

WEDNESDAY: Softball games, Intramural fields; Education Forum will meet at 7 p.m. in the Union lounge.

THURSDAY: Russian Trio, University Concert Series, Hoch Auditorium; Phi Lambda Theta will be hostess at a tea in room 116 Fraser from 3:30-4:30.

FRIDAY: Convocation, 10 a.m.

MONDAY: Open House, Union building, 7-8; Softball games, Intramural fields; State education meeting; Reading School opens.

Tennis and Golf Tourneys Complete First Rounds

JUL 7 1939

Practically all of the first round tennis tournament matches have been played, and the second round matches must be finished by Wednesday, July 12.

All first rounds in the golf tournament must be completed by Monday, July 10.

Drawings are posted in Robinson Gymnasium. Please report your results in both tennis and golf at the Physical Education office.

Golf drawings are: H. A. Wolgast vs. Bye; Chet Shepard vs. P. Ogvs. Bye; Harold Reade vs. Ken Hill; livie; Ed Ash vs. Cook; C. J. Olander R. L. Rice vs. R. L. Kelley; Ray vs. Bye.

Nichols vs. Bye; and Art Lawrence

Tennis drawings are: Division I: R. A. Burton vs. N. Lysaught; Ken Senter vs. Merle Messaner; Bill Hudson vs. Gerald Barker; and Lee Casida vs. El Emch.

Division II: Joseph Flipper vs. Frank Herndon, Raymond Kelley vs. Bye; Norvel Parker vs. W. A. Hudson; and E. L. Bremer vs. Clarence Spong.

All information as to the time and other details of matches may be secured by calling Dr. Allen's office, K.U. 83.

High School Superintendent Is Summer Session Golf Champion

AUG 8 1939

Ray Nichols, who finds time to keep his golf game from getting rusty while serving as superintendent of schools at Auburn, Kansas, emerged as champion of the Summer Session golfers when he beat Paul Oglevie in the finals of the recent University tourney. Nichols had drawn a bye in the first round and had eliminated Art Lawrence in the second round and Harold Reade in the semi-finals before meeting Oglevie.

Oglevie defeated Chet Shepherd, H. A. Wolgast and Ed Ash on his way to the final round.

Nichols also broke the course record at the nine-hole Hillview course, south of Lawrence, recently, when he shot a sizzling 66 to beat Chick Pontius' course record of 67. Rod Wakeland of the University golf team equalled Pontius' mark last spring.

Eskimos Are---

Alaskan Village Is Home Of Two Summer Students

JUL 14 1939

---Catalog Conscious

By Frieda Cowles, c'40

In a land where dog teams are used instead of automobile, and air-planes ski over the hard-packed snow to gather speed before whirling into the air, Mr. and Mrs. Neville McMillan live in the Eskimo village of Noatak, Alaska.

Working through the Department of Indian Affairs, Mr. McMillan operates the commercial radio station KTKN; Mrs. McMillan teaches the elementary grades in a government school for Eskimo children. Both are enrolled in the University Summer Session and will return to Alaska in August.

Noatak stands at the foot of spruce-timbered mountains, on the bank of the river from which it takes its name. In the winter, dog teams and sleds provide a means of travel in and out of the village; in the summer, boats go up and down the Noatak river, and all the year round there are planes to bring in passengers, mail, and supplies.

"Fisher, Hunter, Trapper"

Mr. McMillan characterized the Eskimo as a "fisher, a hunter, and a

trapper." Mountain sheep, reindeer, and caribou, fish from the river, wild berries, and greens furnish him with the essentials of his diet. Each summer he takes his family on a trip to the coast—less than a day's journey by dog team, or about seven hours by river boat—to fish for whale and seal.

Mercury runs up the scale from 40 degrees below in the winter to 80 degrees in the summer months. "We wear parkas and mukluks (fur boots)", Mrs. McMillan said. "They are warmer, lighter, and more comfortable than coats and shoes."

School is held from 9 to 4 o'clock in the frame schoolhouse wherein three teachers instruct 106 Eskimo children in homemaking, native arts and crafts, wood and metal work, and in the fundamental subjects. Then

WPA Recreational Director Starts Series of Lectures To University Students

JUL 7 1939

Mr. Edgar Schmidt, A.B.'30, State Director of Recreation under the auspices of the Works Progress Administration, began a series of lectures in Dr. Forrest C. Allen's Community Recreation class yesterday. These lectures will be given each Thursday morning at 9:30 o'clock, and will deal with recreation as sponsored by the Federal W.P.A. organization.

Schmidt was a member of the varsity football and baseball teams during his undergraduate days, winning letters in football in 1927, '28, '29, and in baseball in 1928, '29, and '30.

Dr. Glenn Cunningham Talks To University Group

JUL 18 1939

Dr. Glenn Cunningham, well-known Kansas track star now connected with the University extension division, spoke before the Community Recreation class on "Recreational Facilities of the Future" yesterday morning.

Cunningham dealt with the practical aspects of Community Recreation.

Cunningham spoke at the Central State Teachers' College at Warrensburg, Mo., Friday.

Schmidt Completes Lecture Series

Edgar Schmidt, State Supervisor of Recreation of the Work Projects Administration, Topeka, who has been giving a series of lectures to the class in community Recreation, completed the lectures last week. Schmidt has been dealing with recreational programs and leadership.

18, 1939

JUL 25 1939

Dean Schwegler's Talk Features Refreshment Hour Thursday Afternoon

A "Refreshment Hour" Thursday afternoon in the Men's Lounge of the Union building will give students and faculty members a chance to relax and forget the heat. The informal hour will last from 3:30 to 4:30 and is being sponsored by Dr. F. C. Allen's class in Community Recreation.

The feature of the afternoon's program will be a talk by Raymond A. Schwegler, dean of the School of Education. Other highlights will be provided by Arleen Melchert who will sing, and by Marshall Butler, piano major, who will play two numbers.

The entertainment composed of Dorothy Gehret, Gerldine Ulm and Dean Nesmith are providing for refreshments after the program.

Dean Schwegler Speaks For Recreation Class

JUL 25 1939

"Refreshments in Education" was the topic discussed at the "refreshment hour" held Thursday afternoon at the Union building by Dr. Forrest C. Allen's class in Community Recreation.

Dean Raymond A. Schwegler, of the School of Education, was the speaker, and stressed the importance of recreation in education, and the fact that children must be encouraged to develop spontaneous expression.

The program also featured Miss Arlene Melchart, who sang "When Song is Sweet" by Sauci, and "Four Ducks on a Pond," by Needham. Miss Dorothy M. Gehret accompanied her.

Marshall Butler played three piano solos, "Fantastic Dance," (Shostakovich), "Gavotte" (Prokofieff), and "March of the Tin Soldiers," (Petyrek).

K. U. Driving Range

OPEN TO THE PUBLIC

Drive to the Driving Range. Take Road Behind Engineering Building, Geology Building and Gymnasium.

OPEN EVERY DAY EXCEPT SUNDAY

6:30 to 8:00 p.m.

40 Balls for 25c

New Driving Range Available Back of Gymnasium

JUL 7 1939

Summer Session golfers who want to improve their driving technique will be glad to learn that Dr. Forrest C. Allen, director of summer recreation, has provided a driving range on the slope back of the gymnasium, the geology building and Hoch auditorium. A long tee has been built up, markers placed at one-hundred-yard intervals, and a conspicuous target is at the end of the range.

The driving range will be open this evening from 6:30 to 8:00 o'clock, and will be open each school day at this hour for the remainder of the Summer Session. Jack Stapleton, of Lawrence, will be in charge of the driving range. Buckets of forty balls for 25 cents will be available.

Elbel in Hospital With Painful Face Infection

JUL 25 1939

Dr. E. R. Elbel, Associate Professor in the Department of Physical Education, who is teaching this summer, has been suffering from an infection of the face. Yesterday morning he was taken to Lawrence Memorial Hospital for observation and care.

**Recreation Available for
Whole Family—Says Allen**
JUL 1 4 1939

"We want to encourage all students, faculty and friends of summer session to enjoy the enlarging facilities of the recreation quadrangle," stated Dr. F. C. Allen, director of recreation for the University Summer Session. All types of games have been provided for and we set no age limit. Games are present for the tiny tots competitive games for the younger set, and more conservative recreation for the middle-aged."

"'Goal-Hi', the new basketball game is being initiated Thursday night, shuffleboard, croquet, archery, golf, putting practice, and turning bars are now being used outside. Inside nearby Robinson Gymnasium are volley-ball games, badminton, ping pong, goal shooting and swimming."

We hope to provide for your personal recreation," concluded Dr. Allen, "by giving you every opportunity to enjoy your summer stay on Mt. Oread."

The quadrangle is open every week night during the session except Monday, which are "mixer" night.

**Children's Archery Night
Will Be on Friday**
JUL 2 5 1939

Dr. Forrest C. Allen, director of Summer Recreation, announces that all children who are particularly interested in archery will be given special attention on the playground on Friday nights. On other nights only adults will be permitted to shoot, but on Friday nights the children will be given preference. All archery shooting is, of course, permitted only under supervision.

**Play Facilities Available
In Robinson Gymnasium**
JUN 2 7 1939

Play facilities in Robinson Gymnasium are available for Summer Session students who desire some recreation when they have a vacant hour during the morning or afternoon. Such games as ping pong, badminton and deck tennis may be played in the gymnasium, and equipment may be checked out at the Physical Education Office, room 106 Robinson Gymnasium.

**Additional Play Equipment
Added to Quadrangle**
AUG 1 8 1939

Additional shuffleboard equipment has been added to the Quadrangle, and many more persons will be able to play.

Mrs. Frances McMillan, a member of the Community Recreation class, who has taught school in Alaska, has taken charge of the children's activities. Miniature croquet sets are available, a sand box, horizontal bars, teeter-totters, and a "monkey maze" are all providing fun for the youngsters.

**Recreational Facilities
Open Till Tuesday**
AUG 4 1939

All of the recreational facilities under the direction of Dr. Forrest C. Allen this summer will remain open through next Tuesday, Aug. 8, for the pleasure of the Summer Session students and faculty. The playground will be open Friday, Monday and Tuesday evenings from 7 to 8:30; the regular swimming pool schedule will be followed Friday, Saturday, Monday and Tuesday; and the driving range will be open Friday, Saturday, Monday and Tuesday evenings from 6:30 to 8 o'clock.

Recreational Facilities 'Tops' This Summer

★ Best Summer Session Program Ever To Be Offered; Allen Plans Extension Next Summer

The 1939 Summer Session has seen the development of the most extensive recreational program in the history of the sessions. Dr. F. C. Allen, recreational director, said yesterday however that the program was "really just getting under way." He plans to keep the things "rolling" and his plans for next year feature development toward the future.

This summer's program has included picnics, open houses in the Union building, co-recreational swimming, games at the newly lighted Quadrangle, and other sporting events.

The Big Six National Softball League title for the summer went to the Wildcats, symbolic of Kansas State College. The team was captained by Lawrence Stanton, and after winning the championship the Wildcats went on to defeat the League All-Stars 9-8 in an extra inning game.

Cyclones Come Back

The Cyclones, after a bad start, came back to finish second and the Tigers, Cornhuskers, Jayhawkers and Sooners finished in that order. The Cyclones were aided in their blazing finish by the pitching and hitting of "Lefty" Joe Wilkerson.

After the regular season closed an all-star team was picked from the league teams, and were defeated 6.5 in an extra inning battle with the North Lawrence All-Stars.

A highlight of Hill activities has been the lighted Quadrangle, east of Robinson gymnasium. Facilities were provided for the whole family and included equipment for shuffleboard, croquet, volleyball, ping pong, archery, badminton, and Goal-Hi, Doctor Allen's new game.

Picnics Draw Crowds

The first University picnic was held at the gymnasium and drew a large number of students and faculty members. The second and last was held in the Quadrangle and in Robinson gymnasium and was one of the most successful of the school parties this summer. Good food and plenty of entertainment proved to be a hard combination to beat.

The open houses held in the Union building had the regular term Mid-weeks bested for variety of entertainment, and refreshments were available for guests as soon as they began to feel the heat. Dancing, entertainment given by students or by imported talent, community singing and other games combined to put the parties over. Members of Doctor Allen's class in Community Recreation were in charge of most of the summer's entertainment.

Driving Range a Feature

The driving range back of the gymnasium is an added feature which will be carried over into the regular school session. Doctor Alen plans to light the range if the proper arrangements can be made.

Tennis and golf tournaments have taken care of these popular sports. One of the most popular activities has been swimming, and the co-recreational "splash" parties have drawn capacity crowds.

Playground Facilities Available This Week

Playground facilities on the cool campus quadrangle will be open every evening this week from 7 to 8:30. This spot has proven to be one of the most popular on the campus throughout the summer for both adults and children. Friday evening will be devoted to the children at the archery range.

FOR THEIR FIGURES' SAKE, rather than for fun, these summertime co-eds are climbing on the "monkey maze." Such activity is said to limber all the muscles of the body. These climbers are (left to right) Anita Louise Warden of Parsons, Kas.; Mary Isabelle Taylor of Lawrence, Kas.; Bertha Scott of Topeka, Marguerite Jones of Topeka, Marjorie Smith, 1414 Federal avenue, Kansas City, Kansas, and Martha Jean Lefman of Independence, Mo.

SOFT BALL is as popular with girls as with men students on the summer session campus. The umpire is Betty Campbell of Lawrence, the catcher, Ann Carlisle, 14 East Fifty-sixth street terrace, and the batter, Joan Taylor of Leon, Kas.

SHARP SHOOTING IS REQUIRED to score two points in hi-goal. This picture makes that clear. It shows Florell about to let go of the ball for the difficult target with Hays guarding him. Incidentally, the basket may be lowered for smaller players.

ONE WAY TO GET A REST is to make a foul in hi-goal. Dr. Allen is shown placing Gerald Barker in the penalty box. His team must play without him until his "term" has expired. No free throw is awarded.

A New Form of Basketball Enlivens Summer on Mt. Oread

THE relative quiet of the summer school session at the University of Kansas has been broken in recent weeks by brisk scrimmages of sprightly athletes around a post with a strange wire contraption atop it. The men, high school basketball coaches taking summer instruction, are playing hi-goal, a quite radically different form of basketball developed by Dr. F. C. Allen, veteran and expert basketball coach at the Jayhawker school. Hi-goal is played on a 50-foot circular area and both teams shoot for the same goal. When a goal is scored the ball bounces down upon the contestants and immediately is in play again. The game calls for brisk, unbroken action and extremely accurate shooting, as pictures on this page indicate. Hi-goal isn't the only spirited summer activity on the campus, however. Notice the summer schoolgirls at play.

Kansas City Star Photographs, by Thomas M. Bowlus

THIS IS HI-GOAL and making a basket—as Gerald Barker (arm upraised), Minneapolis, Kas., coach, is doing—isn't as easy as in conventional basketball, for, as you see, there is no backboard. The ball will drop down through the basket and the game will go on without pause. A game consists of four quarters of seven and one-half minutes each. In the play (left to right) are Clifford Olander, coach at Argentine high school, Kansas City, Kansas; Alvin Emch, coach at Madison, Kas., high school; Kenneth Center, coach at Great Bend, Kas.; Barker; Vernon Hays, Decompton, Kas., coach; Kenneth Cassida, Towanda, Kas., coach; Loren Florell of Topeka, a K. U. varsity player, and Art Lawrence, coach at Rosedale high school, Kansas City, Kansas.

SUMMER SESSION

Softball Schedule Announced

JUN 20 1939

★ Six Strong Teams To Play Double Round-Robin For Championship

Personnel of Softball teams and schedules for the Big Six National Softball League, composed of Summer Session students, was announced Saturday by Dr. F. C. Allen, recreational director. Six teams will play a double round-robin schedule to determine this summer's champions.

The six teams will be known as the Sooners, Cyclones, Tigers, Cornhuskers, Jayhawkers and Wildcats. Among the Outstanding athletes who are signed up are: Paul Masoner, captain and pitcher for the Sooners; Loren Florell and Dick Harp, basketball stars, also Sooner members; gridders Jack Turner and Mike Andrews, both of the Tigers; Bob Allen, basketball star; Fen Durand, javelin tosser; and George Golay, members of the Cornhuskers; and John Hocevar, outstanding intramural pitcher; Dean Nesmith, Dick Amerine, Steve Renko, and Art Lawrence, former football star, all members of the Wildcats.

Personnel of each team is as follows:

Sooners: Masoner (Captain), Mosser, Litooy, Florell, Hayes, Harp, Pritchard, Hutchinson, Garrison and Isaac.

Cyclones: Senter (Captain), Fleming, Moore, Casida, Sterrett, Gilmore, Meyers, Barker, Hogan, Oglevie, Chilson, and Jewell.

Tigers: Clarence Spong (Captain), Blowey, Olander, Eiffert, Frost, Trimeloni, Summers, Bales, Turner, L. Spong, Mike Andrews, and Innes.

Cornhuskers: Fred King (Captain), Bob Allen, Lyle Reed, Durand, Edmonds, Doerr, Paddock, Ryder, Golay, Ewert, and Frink.

Jayhawkers: Barney Forker (Captain), Reade, Naylor, Foote, Hill, Shephard, Roberts, Campbell, Miller, and Spaulding.

Wildcats: Stanton (Captain), Hocevar, Emch, Caldren, Nesmith, Keeler, Blackburn, Evans, Amerine, Harold Smith, Dingus, Lawrence, Ed Ash, Barnes, Lonborg, Renko and Pitts.

The schedule for tomorrow's games will find the Wildcats meeting the Tigers; Cyclones facing the Cornhuskers; and the Sooners and Jayhawkers tangling. Yesterday's games were: Wildcats vs. Cyclones; Sooners vs. Tigers; and Jayhawkers vs. Cornhuskers.

All games will be played at 4:15 on the Intramural field.

JUN 16 1939

SOFTBALL PLAYERS ATTENTION

A meeting of all those interested in playing intramural softball this summer will be held this afternoon at 3 o'clock in Robinson gymnasium. Doctor F. C. Allen, recreational director will be in charge.

Huskers, Wildcats, Sooners Win First Round Softball Games

JUN 23 1939

The rain didn't start soon enough Monday to keep the Cornhuskers, Wildcats and Sooners from ringing up first round National Big Six Softball league victories. The Cornhuskers trounced the Jayhawkers 7-2; the Wildcats took the wind out of the Cyclones 12-1; and the Sooners crossed home plate 19 times to 9 for the Tigers.

Bob Allen turned in a well pitched game to start the Cornhuskers off on the right track. Last summer Allen pitched for the championship Jayhawker club. Reed was on the receiving end for the winners, and Forker and Naylor made up the Jayhawker's battery.

Lawrence threw the Cyclones every thing but hits and runs and the Wildcats threw in some support to give him an easy 12-1 triumph. Lawrence and Pitts formed the battery for the winning club; Senter and Sterrett for the losers. Numerous errors were costly to the Cyclones.

It took a lot of runs to convince the Tigers, but the Sooners came up with 19 of them and 19 runs can do a lot of convincing. The Sooners scored six in the first, added six in the third, and threw in seven more for good measure before they finished. The Tigers scored six of their runs in the last two innings, mostly on the slugging of Hays, Frost and O'Lander. Wood, Hays and Mosser led the winners in hitting. The batteries were: Sooners, Mosser and Pritchard; Tigers, Hays and Blowey.

Wednesday's games were called off because of rain, but were to have been played yesterday if the fields dried off enough. If not, they may be played today, or later in the season. This round was to throw the Wildcats against the Tigers; Cyclones against the Cornhuskers; and the Sooners against the Jayhawkers.

Games for Monday are: Wildcats

vs. Cornhuskers; Tigers vs. Jayhawkers; and Cyclones vs. Sooners.

Thursday's Softball Games Leave Only Sooners Undefeated

JUN 27 1939

By Dave Shirk

The Sooners won their second game of the season Thursday by defeating the Jayhawkers, last year's champions, 7 to 6. The winning pitcher was Bert Nash, a southpaw. The team won the game. Such stars as Paul Masoner, captain, Fred Littooy, and Russell Mosser, the Sooner's number one pitcher, contributing some fine work. With the fine pitching of left-handed Nash and that of Mosser, the team should be a strong contender for first place position this summer. Errors that the Jayhawkers made proved to be costly. However, the closeness of the score indicates they are not a weak team.

* * *

The Tigers went into the winning column for the first time by defeating the Wildcats in an extra inning. The game was 3 to 0 in the last half of the seventh inning, in favor of the Wildcats. At the end of the seventh the Tigers tied the score at three all. In the eighth inning the Wildcats turned on the steam by knocking in three more runs, to make one of the most exciting games of the season.

* * *

The Cyclones also went into the winning column by beating the Cornhuskers 6 to 4. The Cornhuskers won their first game from the Jayhawkers by a score of 7 to 2. The winning pitcher was Wilkerson, who, aside from his fine pitching, scored two of the six runs.

* * *

Tomorrow's schedule is as follows:

Wildcats vs. Jayhawkers
Cornhuskers vs. Sooners
Tigers vs. Cyclones

These games should be very interesting and exciting. The Sooners will try to retain their lead by battling against one of the best pitchers in the "Big Six National League," Bobby Allen. The Jayhawkers last year's champions have not yet appeared in the winning column, and they will be out to defeat the Wildcats, to get their first win of the season. Each team will start its best pitcher, and will be out to win.

Dr. Allen, No. 1 umpire, urges that anyone who wants to see some very exciting games come down to the intramural field at 4:15 each Monday and Wednesday and see 65 or 70 men in action—even better than a three-ring circus.

Please note—if in case of rainy weather any games have to be postponed, the games scheduled for Monday will be played on Tuesday, and the games scheduled for Wednesday will be played on Thursday. If the games have to be played later, then a date will be set for the "postponed" game.

Tigers, Wildcats Tied for Lead In Softball Loop

JUN 30 1939

By Dave Shirk

The first round of the Big Six National Softball League is coming to a close. With only one more day of games to be played we find that the Wildcats and Tigers are in a deadlock for first place position. Every team in the league has won at least two games, except the Jayhawkers, the hard luck team of the league. The fighting Jayhawkers have lost every game by one or two runs.

Wildcats: The Wildcats let the league know they wanted to be champions by winning two games this week to put them in a tie for first place with the Tigers. The Wildcats defeated the Cornhuskers Monday 12 to 6 and came back Wed. to knock off the "unlucky" Jayhawkers 9 to 7.

Tigers: The Tigers came from a low position to the top, tying for first place with the Wildcats. The striped cats wanted the rest of the league to know they also wanted the crown. The Tigers won both their games this week by a narrow margin

Jayhawkers: The rebuilt last year's champions are having more than their share of bad breaks. They are known as the "unlucky" team of the league.

of one run. The Tigers won their game Monday by defeating the "unlucky" Jayhawkers by a count of 5 to 4, and came back Wednesday with plenty of fire to upset the wagon of the Cyclones. The pitching of Mike Andrews, along with his speed in base-stealing does a lot for his team's success. Mike pitched his team to victory Wednesday night by scoring the winning run in the last half of the seventh.

Cornhuskers: The Big Six National Softball League is wondering just what has happened that has given the Cornhuskers so much power to defeat the Sooners by 13 to 4. Here is what has happened to the Cornhuskers. After playing Monday's game with only eight men and losing to the Wildcats 6 to 12 they decided to rebuild their team. Captain Fred King, along with Bobby Allen and Rusty Frink, did some real scouting between Monday's games and the game they played Wednesday. When Wednesday's game came around the Cornhuskers found they had a full team along with substitutes all ready to play hard ball. Fred King, the captain, took his turn on the mound

Wednesday and defeated the Sooners 13 to 4.

Sooners: The Sooners hit a hard luck streak, losing both games this week. They lost their first game to the Cyclones 3 to 1, and their game Wednesday found them on the losing end of a 13 to 4 score against the Cornhuskers. The Sooners will be out for revenge next Wednesday, July 5, to match strides with one of the leading teams, the Wildcats.

Cyclones: The Cyclone team made its start for top position by splitting two games this week, winning their game Monday from the Sooners, and their game Wednesday found them on the short end with the Tigers by a score of 7 to 8. Joe Wilkerson, the Cyclones southpaw pitcher, is giving the league plenty of trouble with his fast ball and the fact that he has plenty of speed in the seventh inning as well as in the first.

Wildcats, Tigers Lead Softball Teams at Half

JUL 7 1939

By Dave Shirk

The first round of the Big Six National Softball League entry closed Wednesday afternoon, July 5. At the halfway mark we find the Wildcats and Tigers holding down the top position with four wins and one loss for a ranking of .800 per cent. The Cyclones are not far below the leaders. The Cyclones have won three games and dropped two for a ranking of .600 per cent. The rest of the league follow in this order: Sooners and Cornhuskers in a tie with two games won and three games lost. The Jayhawkers with their undisputed last place with no wins out of five games.

Wildcats: The Cats were wild which they proved by bumping off the heavy-hitting Sooners by a count of 11 to 7 to retain their first place position along with the Tigers. The Wildcats turned on the heat in the third inning of the game to take the lead with five runs which they held the rest of the game. The battery for the Cats was Art Lawrence and Harold Pitts. Pitts was responsible for the rally in the third inning by knocking in three men with his clean three-base hit. Captain Lawrence Stanton is quite confident that his team is going to be wearing the crown when the final game is over. His outfit has plenty of pep and chatter which goes a long ways in winning ball games.

Tigers: The Tigers are still showing the league their power as a contender for the championship by defeating the Cornhuskers 19 to 16. Ebelke and Andrews did the pitching for the Tigers and Blower did the work behind home plate. Every man on the Tiger team made at least one run. Blower, the catcher, leading the team with four runs out of five times at bat.

King and Allen pitching, with Frink doing all the catching.

Jayhawkers: The unlucky Jayhawkers are still fighting to appear in the winning column. The 'Hawks finished the first round of the season without a single win. They lost their game Wednesday to the Cyclones by a score of 10 to 14. Wolgast and Roberts formed the battery for the Jayhawkers.

TEAM STANDING

	W	L	Pct.
Wildcats	4	1	.800
Tigers	4	1	.800
Cyclones	3	2	.600
Sooners	2	3	.400
Cornhuskers	2	3	.400
Jayhawkers	0	5	.000

The scheduled games for next week in the Big Six National Softball League:

Monday, July 10—Jayhawkers vs. Cornhuskers; Wildcats vs. Cyclones; Sooners vs. Tigers.

Wednesday, July 12—Sooners vs. Jayhawkers; Wildcats vs. Tigers; Cyclones vs. Cornhuskers.

Cyclones: The Cyclones came from behind from their game with the Jayhawkers to win by a score of 14 to 10. Joe Wilkerson was the winning pitcher, with Senter catching. The Cyclones showed the rest of the teams that every man on the team is a hitter an deach made at least one run.

Sooners: The Sooners lost their third straight game of the season Wednesday by dropping a hard fought game with the Wildcats by a score of 7 to 11. The Sooners took the lead when Loren (tallest Jayhawker) Florell knocked a home-run with two men on, but was unable to keep this lead when the Cats went wild. On the mound for the Sooners we find Bert Nash, and behind the plate Harley Pritchard.

Cornhuskers: The Cornhusker lost one of the longest and hardest fought games of the season to the league's co-leaders, the Tigers, bl a score of 16 to 19. Umpire Dr. Twente, who is back calling balls and strikes after attending an educational conference on Secondary Education at Pittsburg thought he was working a track meet instead of a ball game. The battery for the Cornhuskers was

JUL 14 1939

Down Tigers, 18-15, In Feature Game; Three Contests Left

By Dave Shirk

The Big Six National Softball League has taken a new form in the team standing after the games played this week. The Wildcats under the leadership of Lawrence Stanton have taken the lead. The Tigers are hot on the tails of the leaders, being only one game short of the top berth. The windy Cyclones are still in the money with four wins and three losses. The Cornhuskers have a three won, four lost standing. The Sooners are on the down-grade, having lost their last five games. The hard luck Jayhawkers broke into the winning column by defeating the Sooners 17 to 11 Wednesday. The unlucky Jayhawkers will be causing the rest of the league plenty of

TEAM STANDING

	W	L	Pct.
Wildcats	6	1	.857
Tigers	5	2	.714
Cyclones	4	3	.571
Cornhuskers	3	4	.429
Sooners	2	5	.286
Jayhawkers	1	6	.143

trouble before the season is over.

Wildcats: The Wildcats came through both their games this week with flying colors after playing two of the strongest teams of the league. In their game Monday they won an easy victory from the Cyclones by a score of 8 to 3 and came back Wednesday to take the Tigers share of the lead by defeating them 18 to 15. By bumping off the Tigers the Wildcats have all claim to the top position. Willie Keeler, Alvin Emch, Art Lawrence, and Dean Nesmith led the Wildcats in their game with the Tigers by all batting 1000 per cent. The battery for the 'Cats was Johnny Hovecar and Art Lawrence doing the pitching, with Pitts doing the catching for both games.

Tigers: The Tigers are runner-up for the week. The striped cats took an easy one from the Sooners, only to be beaten Wednesday by League leaders by a score of 18 to 15. The Tigers gave the Wildcats a terrific scare in the first inning with every man having a turn at bat and scoring 8 runs. The Tigers had to give way to the chattering Wildcats in the third inning and were unable to catch up with them. The battery for the Tigers were Ebelke and Andrews taking turns on the mound with Blowey doing a fine job behind the plate in both games.

gers 6 to 12, and the other to the Jayhawkers 11 to 17. Mosser and Florel doing the pitching, with Pritchard doing the catching. Capt. Paul "Stoner" Masoner in his game with the Tigers knocked the longest fly ball of the season for a four-bagger with nobody on base.

Jayhawkers: The hard luck team dropped a close game Monday to the Cornhuskers by a score of 12 to 13, but came back Wednesday to break their record by beating the Sooners 17 to 11 to give them a place in the winning column. James Miller, the little blonde-headed outfielder for the Jayhawkers, has proven himself as good as any outfielder in the league by catching anything that comes in his territory. The battery for the Jayhawkers were Harold Reade pitching and Roberts doing the catching.

Cyclones: The Cyclones split their two games this week, losing their game Monday to the Wildcats by a score of 3 to 6, and coming back Wednesday like a "cyclone" to beat the Cornhuskers 8 to 3. Joe "Lefty" Wilkerson doing a swell job of ball hurling. The other half of the battery, Kenneth Senter, doing his share of the hitting and leading his team and perhaps the league in chatter. The Cyclones are not to be overlooked until the final whistle has blown. With a fine hitting team and the league's outstanding pitcher they should finish near the top.

Cornhuskers: The Huskers also split their games this week, by beating the Jayhawkers Monday 13 to 12 and losing their Wednesday game to the Cyclones by a score of 3 to 8. Bill Fitzgerald, a newcomer to the Big Six National Softball League, is showing the rest of the teams that it is useless to try to get a hit through him. The battery for the Cornhuskers, Bobby Allen and Capt. Fred King took their turns on the rubber, with Rusty Frink doing all the catching.

Sooners: The Sooners are on the downgrade having lost five straight games. This week they dropped both games by losing the first to the Ti-

Softball Games Draw More Than Seventy Players

★ League Teams Named
After Big Six Members
With Wildcats in Lead;
All-Star Game Thursday

By Dave Shirk

More than 70 Summer Session students have been playing intramural softball this summer. From these 70 men came the conference known as the Big Six National Softball League, each team named for a member of the Big Six. Last summer the Jayhawkers won the conference by winning 8 games and losing 1. So far this year we find the Wildcats setting the pace for championship honors. During the first few games there was a little drafting of players to equalize the squads.

Included in the galaxy of softball luminaries in the Big Six National Softball League firmament are names that have been listed with the great or near great. The teams and captains are:

Wildcats: Lawrence Stanton, captain; John Hocevar, Art Lawrence, Alvin Emch, J. D. Caldren, Dean Nesmith, Willie Keeler, Dick Barnes, Harold Pitts, Bryan Blackburn, Harold Smith, Eddie Ash, Brown.

Tigers: Clarence Spong, captain; Hayes, R. A. Blowey, Cliff Olander, Joe Trimeloni, Jack Turner, Mike Andrews, Harold Frost, J. F. Ebelke, Stud Bales, L. Spong, Harold Summers, L. Eiffert.

Cyclones: Kenneth Senter, captain; Francis Moore, Lee Allen Casida, John Sterrett, George Gilmore, Dallas Myers, Gerald Barker, Bill Hogan, Bingham, Joe Wilkerson, Streetter, Jack Jewell, Oglevie, S. Packard.

Cornhuskers: Fred King, captain; Bobby Allen, Lyle Reed, Fen Durand, George Golay, Hank Ewert, John Rider, Rusty Frink, Charlie Paddock, Bill Fitzgerald.

Sooners: Paul Masoner, captain; Russell Mosser, Fred Littooy, Loren Florell, Vernon Hayes, Harley Pritchard, Dale Hutchinson, A. E. Garrison, Isaac, Bert Nash, Branson.

Jayhawkers: Barney Forker, captain; Harold Reade, Frank Naylor, Oscar Foote, Ken Hill, Chet Shepherd, Lawson Roberts, Bob Campbell, James Miller, Don Spaulding.

Umpires: Dr. Forrest C. Allen, Dr. E. R. Elbel, Dr. J. W. Twente.

Softball Stars Picked For Game With North Lawrence All-Stars

An all star squad picked from the Big Six National Softball league will play the North Lawrence all-stars at the North Lawrence park July 21. Freddie "Czar" Harris, former University football star, will be in charge of the North Lawrence team while Dr. F. C. Allen will coach the University team.

The Big Six all-stars are; Wilkerson and Hocevar, pitchers; Pritchard and Roberts and Senter, catchers, Caldren and Foote, 1 b; Casida and Nesmith, 2b; Emch and V. Hayes, 3b; Florell, Fitzgerald, Frink, and Barnes, ss; Keeler and King, rf; Miller and Olander, cf; Masoner and Allen, lf.

The All-stars also have a game scheduled with an Ottawa team.

JUL 21 1939

All-Stars To Play League Champion Wildcats

On Wednesday, July 26, the champions of the Big Six National softball League will play an all-star team composed of members from the other five teams. The captain of the second place team automatically becomes the captain of the all-star aggregation. The game will be played at 4:15 p.m. on the intramural field.

Last year the champions, the Jayhawkers, won the all-star game by a score of 8 to 7 in a tightly fought game. This year's game promises to be just as good as last year's. Lawrence Stanton, coach at Page City, who captained the all-star team last year, is the captain of this year's league-leading Wildcats.

TUESDAY, JULY 18, 1939

JUL 18 1939

ALL-STAR GAME THURSDAY

A picked team of Summer Session students in the Big Six National Softball League will meet the all-star group of the North Lawrence league Thursday evening, July 20, at 8:30 on the Woodlawn diamond. Dr. Forrest C. Allen will be in charge of the Summer Session team, and Freddy Harris, "Czar" of the North Lawrence league, will be in charge of the boys across the river.

Intramural Softball 'Umps' Give Scholarly Decisions

---The Umpires Don't

By Dave Shirk

An adjunct to the game of baseball, whether softball or hard ball, is the umpire. This is a polite name given to the arbiter who works behind the plate, but to all baseball players the umpire is affectionately known as the "blind boon" first guesser. Seriously, however, these men have played a big part in the success of the league. In better than hundred degree temperature the following men have been out for each game, rendering their bit with only one purpose in view—the full enjoyment of the participants—Dr. Forrest C. Allen, Dr. E. R. Elbel, and Dr. J. W. Twente.

Doctor Twente is one of the best known and best liked professors in the School of Education, if not the whole University. He has been serving on the Committee of Cooperative Study of Secondary School Standards of the North Central Association for two years; also on the Board of Directors of the Kansas State Teachers Association. Doctor Twente holds the Phi Delta Kappa honor key, which is an honor that anybody interested in education would like to possess. The Big Six National Softball League feels it an honor to have a man such as Doctor Twente umpiring the games.

Knows His Sports

Doctor Elbel is supervisor of Intramural Sports at the University. He enjoys having a part in the only competitive team sport of the Sum-

mer Session. Anyone who has ever attended a football game at K. U. or the Kansas Relays has undoubtedly seen the artistic work of Dr. Elbel. He draws or sketches the cover page on all the programs. He is also one of the best character sketchers at the University of Kansas.

When it comes to calling the balls and strikes he cannot be beat. He knows the rules of all sports from A to Z. Dr. Elbel has but one purpose in view in umpiring the games—full enjoyment of the participants. The Big Six National Softball League holds high respect for Dr. Elbel's decisions.

Needs Little Introduction

Doctor Allen, as Director of the Department of Physical Education and Head Basketball Coach at the University of Kansas, needs little introduction. As Director of Summer Recreation he has planned and organized the most extensive recreation program for summer students in the history of the school. He is a firm believer that recreation is an integral part of education.

The Big Six National Softball league takes great pride in having a man like Dr. Allen give his time and effort to make the League a success. Doctor Allen is a believer that a "ball is a ball," and a "strike is a strike," no matter whether it is in a softball game or in the World's Series. He stands pat on his decisions, and might rightfully be called "Quigley, The Second."

**Announce North Lawrence
League All-Star Lineup
For Thursday's Game**

JUL 18 1939

The line-up of the North Lawrence league All-Stars which will meet the Summer Session All-stars Thursday night was announced yesterday by Managers Fred Harris and Jack Pierce. The lineup includes: W. Harwood, pitcher; Gufler, catcher; Douglas, 1b; Higgins, 3b; M. Harwood, 2b; Maiden, ss; B. Stotland, rs; Evans, lf; Ireland, cf; Perry, rf. Utility men are Combest, L. McClure; B. McClure, Harlan, McDonald and Boggs.

The University All-stars will also meet a team from Ottawa University later in the season.

WEEKLY SPORTS CALENDAR

JUN 27 1939

Softball—4:15 p.m. Monday, June 26, Wildcats vs. Cornhuskers, Tigers vs. Jayhawkers, Cyclones vs. Sooners. Wednesday, June 28, Wildcats vs. Jayhawkers, Cornhuskers vs. Sooners, Tigers vs. Cyclones.

Swimming—For Women on Monday, Wednesday, and Friday: 4:00-4:30 Beginners Class, 4:30-5:00 Intermediate and advanced class, 5:00-6:00 open plunge. For Men—on Tuesday, Thursday, and Saturday.

Playground—7:00 to 8:30 p.m. Tuesday, Wednesday, Thursday, and Friday. (On account of the Open House each Monday evening from 7 to 8 o'clock in the Memorial Union Building the playground will not be open.)

Tennis—All first round matches must be completed by Friday, June 30. Drawings will be posted in Robinson Gymnasium. Matches will be best two out of three sets. Results should be reported at the Physical Education Office.

Golf—The resultst of the first round matches must be reported at the Physical Education Office by Monday, July 3. Drawings are posted in the gymnasium.

★ League Teams Named
After Big Six Members
With Wildcats in Lead;
All-Star Game Thursday

By Dave Shirk

**Another All-Star Game
Ends Season Tomorrow**

JUL 25 1939

The Big Six National Softball League champions will play an all-star team composed of members from the other five teams of the league Wednesday evening at 4:15 o'clock on the intramural field, south of the campus. As it looks now the Wildcats will take the side as league champions to show their strength against the rest of the league.

The captain of the runner-up team automatically becomes captain of the all-star team which will be chosen by him and the Big Six National Softball League umpires.

Wildcats Cinch Crown in Big Six Softball Loop

JUL 21 1939

By Dave Shirk

With one game left to be played in the Big Six National Softball League we find the Wildcats with a two game lead over the rest of the teams in the league. The Wildcats are sure of the first place position, having only the Sooners in their pathway. The Cyclones overtook the Tigers for second place.

The Cyclones have the "unlucky" Jayhawkers to thank for their new position. The Cyclones also defeated the Tigers in the game Wednesday by a score of 20 to 7 to aid in their promotion.

The Jayhawkers have moved from last place to press the Cornhuskers for fourth place, leaving the Sooners in the cellar.

Wildcats: The battery for the 'Cats was Art Lawrence doing the throwing with Pitts behind the plate doing the catching. The Wildcats with their two game lead split their games for this week. They won Monday from the Cornhuskers 18 to 6, and lost their game Wednesday to the fighting Jayhawkers by a score of 10 to 9.

Cyclones: The Cyclones turned on the wind to blow over the Sooners and the Tigers, to take their new position as runner-up. The aroused Cyclones won from the Sooners 17 to 16, and from the Tigers 20 to 7. The battery for the Cyclones is none other than Joe "Lefty" Wilkerson with his fast ball, and Senter for his target behind the rubber.

Tigers: The Tigers seem to have lost their pep after losing a tight game last week to the Wildcats by a score of 18 to 15. This week the Tigers have lost both game by large margins, losing to the Jayhawkers by a count of 7 to 10, and then losing a one-sided affair to the Cyclones 20 to 7. The battery for the striped cats was Ebelke pitching and "Blow" Blowey doing the catching.

Cornhuskers: The Cornhuskers are holding on to fourth place with a weaker team of only eight players. In Monday's game the Cornhuskers lost their game to the Wildcats, even with Doctor Allen and yours' truly playing. but came back Wednesday with all eight players to beat the

TEAM STANDING

	W	L	Pct.
Wildcats	7	2	.777
Cyclones	6	3	.667
Tigers	5	4	.556
Cornhuskers	4	5	.444
Jayhawkers	3	6	.333
Sooners	2	7	.222

The schedule of games for Monday, July 24, is as follows:

Cornhuskers vs. Tigers.

Wildcats vs. Sooners.

Jayhawkers vs. Cyclones.

Sooners 10 to 6, without Allen and Shirk. The battery for the Cornhuskers was King pitching, and Frink catching.

Jayhawkers: The Jayhawkers fight. In the last three games the 'Hawks have really been fighting, winning all three games. One of the chief factors to this sudden change of the Jayhawkers standing in the league is due to the fine pitching of Harold Reade, coach at Shawnee Mission High School. The Target for his fast ball is Roberts, who is rated as one of the best catchers in the league this summer. The "Jays" beat the Tigers 10 to 7 and the Wildcats 10 to 6 this week.

Sooners: The Sooners are in the cellar, having lost 7 straight games. This week they lost to the Cyclones 16 to 17, and to the Cornhuskers 6 to 10. The battery for the Sooners' game Monday was Nash and Pritchard. In the game Wednesday we find Capt. Masoner, coach at Garnett High School, on the mound, but the Sooners couldn't break their losing streak.

LEAGUE STARS WIN

K. U. Softballers Defeated, 6 to 5, in a Thriller

Crowds poured from the stands to congratulate the players at the conclusion of last night's feature softball game, between the K. U. all-stars and the N. Lawrence selected team on Woodlawn diamond.

Spectators whistled and shrieked as the lead changed hands thruout the game and finally rested with the North Lawrence all-stars by a score of 6 to 5 at the end of the eighth inning. The winning run was scored on a home run by Douglas after the local boys had held the students scoreless in the first half of the play-off inning.

In the first half of the seventh and supposedly last inning, the league stars held a 4 to 2 lead with two outs on the students. With two men on base, by an error and a walk on balls, however, Arvin Wil-

kerson stepped into one of Harwood's pitches for a home run putting the K. U. team ahead 5 to 4.

The North Lawrence team tied the count in the last half of the seventh when Gufler scored from second on an outfield error. Spectators believed another inning would be necessary in the last half of the eighth when Douglas

knocked the ball out of the park.

The Lawrence high school band under the direction of Oliver Hobbs, opened the evening's performance last night with a band concert at 7:30.

In the opening contest of the evening, the Royal Crown girls of Atchison defeated the Lawrence Singer girls, 5 to 4.

All-Stars Drop Close

North Lawrence Stars Defeat University Team in a Thriller

One, 5-6

By Dave Shirk

Doctor Allen's all-stars made up of members of the Summer Session softball league lost a tough game Thursday night to the North Lawrence all-star team by a score of 5 to 6, the winning run being made in the last half of the extra inning by Clarence Douglass, K. U.'s candidate for All-American fullback in 1937, when he clouted one out of the park for a home run.

The capacity crowd witnessed one of the most exciting games that has been played in the Woodlawn park this year, and when the game was over everybody gave both teams a great hand in their appreciation of a real combat.

The Summer Session all-stars drew first bats and went down in a 1-2-3 order, all being thrown out at first. The North Lawrence team followed the school boys in the same fashion, all flying out. In the first half of the second inning Emch went down swinging, bringing up Olander, who got a base on balls. Barker followed Olander, only to strike out to Harwood's fast pitching.

Wilkerson Scores Two

With two outs Senter got on first by a walk, advancing Olander to second. Casida followed Senter. He also drew a charity base. Joe Wilkerson came to bat with bases loaded to knock a hot one, which was called an error on the North Lawrence team, and brought in two runs to put Allen's team in the lead by a count of 2 to nothing. After scoring two runs Casida tried to reach home on a wild pitch only to be tagged out to retire the sides.

In the last of the second we find the North Lawrence boys going down in 1-2-3 order, all flying out to the infield. The third inning we find no change in score. Allen got on first by a walk and Keeler sacrificed to advance Allen to second. With one down and Bobby Allen on second Hayes and Johnny Hocesvar popped to Higgins on third and Douglass on first to retire the side.

In the last of the third Maiden of the North Lawrence league scored one run to set the count 2-1 in favor of Allen's boys. Both teams went down in the fourth without a change in the score. In the first of the fifth the University boys retired without a run. The North Lawrence team cut loose in the last of the fifth to take the lead by scoring 3 runs, which gave them the advantage by a score of 4 to 2.

Home Run Ties Game

The sixth inning both teams went down in the 1-2-3 order, leaving the score 4 to 2 in favor of the North Lawrence team which began to look like the final score in the first of the seventh, when the school boys had two men on, with two down. But to the surprise of the opponents and the fans Joe Wilderson placed the ball out of the park for a home run scoring three runs to give the Session team the lead by a score of 5 to 4. The North Lawrence team wouldn't give up, so in the last of the seventh Gufler, the catcher, for the North Lawrence team, scored a run to tie

the count and send the game into an extra inning.

In the first half of the extra inning the University all-stars were held scoreless. When the North Lawrence team came to bat we find Clarence Douglass as first batter (batting over .600 in the North Lawrence league) to face Hocesvar. On the first pitched ball "Doug" contacted it for a long, high, center field drive for a four-bagger to end the game with the final count of 5 to 6.

The battery for the North Lawrence team was Harwood and Gufler. For Doctor Allen's stars we have Johnny Hocesvar and Joe Wilkerson pitching, and Senter doing duty behind the plate.

Cyclones, Tigers JUL 28 1939 Follow League Leaders at Finish

By Dave Shirk

As the Big Six National Softball League comes to a close Monday we find the Wildcats wearing the crown with the Cyclones as runner-up and the Tigers as a close third.

Wildcats: The champions (Wildcats) won their last game from the Sooners by a forfeit, being the only forfeited game of the season, to give them a standing of 8 games won and only 2 lost.

Cyclones: The Cyclones beat the fighting Jayhawkers Monday by a score of 7 to 3 only after the Cyclones had added four members of the Wildcats who had won their game by a forfeit. The victory of the Cyclones over the Jayhawkers gave them the position of runner-up in the league. The Cyclones in their last game Monday made the only triple play of the season, Moore to Senter to Emch to Nash for three outs to retire the sides. The battery for the Cyclones—Wilkinson and Senter.

Tigers: The Tigers lost their last game of the season to the Cornhuskers by a count of 10 to 11. The Tigers have lost their last 4 games, to drop them to the third place position in the final standing. The battery for the Tigers—C. Spong, pitching, with Blowey catching.

Cornhuskers: The Cornhuskers under the fine pitching of Fred King, along with good support of his team,

beat the third place Tigers by a score of 11 to 10 to end up the season in 4th place. The battery for the Huskers—King and Pitts.

Jayhawkers: The Jayhawkers lost their game to a rebuilt Cyclone team by a score of 3 to 7. The Hawks were league champions last summer, but this summer we find the Jayhawks in next to the last position. The bat-

tery for the Jayhawks—Reade, pitching, and Roberts catching. Reade has more strikeouts this season than any other pitcher.

Sooners: The Sooners gave their last game of the season to the champions, Wildcats, by a forfeit to increase their losing streak to eight straight games and to end up the season in the "cellar."

Wildcats Claw

FRIDAY, JULY 28, 1939

JUL 28 1939

All Stars, 9-8

Champions Late Rally Defeats Picked Outfit

By Dave Shirk

The Wildcats let the rest of the Big Six National Softball League know that they were the "real champions" of the season by defeating the all-star delegation by a score of 8 to 9 only after an extra inning had been played. The all-star team was made up of the star players from the other five teams as chosen by the captains of said teams. After getting off to a poor start the stars overtook the champs in their half of the inning when Barker scored tying run sending the game into the eighth and extra inning of the game.

The champions had their first bats and they really took advantage of it by doing everything possible to the opponent's pitcher. Barnes, the lead off man, took first base on a clean hit. Keeler flied out, bringing up Pitts, who got on first by an error. Caldren followed Pitts to get on by an error, and scoring Barnes.

Emch, former Emporia Teachers ball player, got a hit to score Pitts; Lawrence took a walk to first on balls; Nesmith and Ash followed Lawrence, only to fly out to retire the sides, with two runs, two hits and two errors, and three men left on base.

Take 2-0 Lead

In the last half of the first the all-stars went down without a run or a hit leaving the count 2-0 in favor of the champs. The batters to face Lawrence in the first inning were Trimeloni, Foote, Barker, and Flor-ell. In the first of the second the champs got two hits and one run, Dingus making the only run and one of the two hits.

Barnes connected with the ball for the other hit and was responsible for Dingus scoring. The champs retired after getting two hits, one run and one error. The all-stars in their half of the second inning were held scoreless. The batters facing Lawrence were Masoner, Durand and Olander and Hayes, Olander getting the first hit from Art Lawrence.

In the first of the third the champs went down without a score, but Emch got a hit off of Reade. In the last half of the third we find Joe Wilkerson taking Reade's place on the mound and scoring the all-stars first run of the game. The score at the beginning of the fourth, 3 to 1 in favor of the Wildcats.

At the beginning of the fourth we find a new battery for the all-stars—Joe "Lefty" Wilkerson, pitching, and Senter doing duty behind the plate. In the fourth the champs scored 3 runs and the all-stars were held scoreless. Barnes, Smith and Dingus made the runs for the Wildcats.

Big Fifth Inning

The big fifth inning we find the champs making 2 runs, the runs being made by Art Lawrence and Dean Nesmith. The all-stars came to bat in the last of the fifth with blood in their eyes to stage a rally, scoring 5 runs. The men crossing the plate were Trimeloni, Barker, Hayes, Senter, Wilkerson. At the end of the fifth we find a change in the score, the score being 8 to 6, still in favor of the champs. In the sixth the Wildcats were held scoreless by the All-stars to lessen the gap and Senter scored a run to leave the score 8 to 7 still heavy on the champs side.

In the seventh and last inning the All-stars held the champs scoreless while Barker, of the All-stars, scored one run to send the game into the extra inning. In the eighth and extra inning Dingus of the Woldcats

FINAL STANDING

	W	L	Pct.
Wildcats	8	2	.800
Cyclones	7	3	.700
Tigers	6	4	.600
Cornhuskers	5	5	.500
Jayhawks	3	7	.300
Sooners	2	8	.200

made the only run to end the game 9 to 8 in favor of the Big Six National League champions, proving the Wildcats are the "real champs."

Battery for the champions: (Wildcats): Art Lawrence, pitching, Pitts, catching. Battery for the all-stars: Reade and Blowey forming one battery; Wilkerson and Senter forming the other. Umpire: Dr. Forrest C. Allen.

Wildcats	210	320	01—9
All-Stars	001	051	10—8
