Dear Phog -

while I have a moment at the office I will drop you a line and enclose a check for the book which you so kindly sent to Pat Roberts at Oak Park. I have not heard from him, but I am sure it's arrived.

This is our busy season, what with income taxes and yearly audits so I will be on the jump until after March 15th. I was doing some special work on students for Doctor Needles last summer, but on October 1st I went back to my regular job. I enjoyed your letter and the news it contained and am looking forward to seeing you the latter part of this month. I saw where you beat Oklahoma so assume you have a rather neat squad. The Tribune has been carrying stories about you and the Tucker incident but not in detail enough to get a clear picture of what it is all about. Could you drop me a note as to where you will stop in Chicago so I can see you. Doc and several of us are looking forward to seeing the game - until then as ever
