Mr. Warren G. Spaulding, Supt.,
Haskell Institute,
Lawrence, Kansas.

Dear Mr. Spaulding:

I wish to express my thanks to you for your very fine cooperation in permitting the Haskell Indian team to participate in the Goal-Hi game which was shot by the Paramount Newsreel people last Monday afternoon.

I am sure that by having your students in the reel, both as players and spectators, we will have an added interest in it.

If there is any way in which we can reciprocate your kindness it will be a pleasure to do so.

Very sincerely yours,
