Allis Hotel  
Wichita, Kansas

Gentlemen:

Mrs. Allen and I expect to be through Wichita Thursday afternoon and will desire an air-conditioned room. We have our 11-year old grandson with us and would like for you to place a cot in the room for him.

The same type of room that you gave Victor Hurt and me on our visit to Wichita last week will be satisfactory.

Very cordially yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
