

5. Browsing room - place with literature relative to our work and combining rest room features with reading material.
6. Mixers - picnics, etc., for departmental and school groups.

With the heat we have in ~~Kansas~~ and from what I know of the ~~summer enrollment~~ the ~~above suggestions~~ may be too heavy on ~~activity~~.

If it were possible to institute a weekly series of teas or general social get-togethers where the material suggested in No. 4 could be introduced or where just pure visiting could be done I ~~believe~~ ^{might} it ~~would~~ strike the fancy of a large group who desire social contacts but who wouldn't be interested in physical activity.

Question:

to secure from your office
Is it possible to give general ~~data~~ ^{data} concerning students for the past few summer sessions concerning ~~concerning~~ age. so that this group could then might be possible to more definitely prescribe a recreational program that would more nearly fit.
