Dr. F.C. Allen
Department of Physical Education
University of Kansas

Dear Doctor Allen,

My Dad brought home the ball you
sent me this evening. Thanks a lot. I don't
think I've ever seen such a swell outslam
ball. When I get to playing some I might
learn to play a little. There may be a few
windows broken. But it will be because
of Dad's punk fiddling.

Sincerely
J.W. Wente Jr.
