

# Extensive 6/9/38 Recreational Program

## *Arrangements Are Complete for Diversified Opportunities for Summer Play*

A complete program to provide opportunities for diversion, recreation, and friendship is planned for all summer school students and their families this year. The program offers a variety of minor sports, swimming, tennis, volleyball, and golf.

The program centers about Campus Hour, 7 to 8 o'clock on each school day evening, for which varied entertainments are planned. Each Monday during the summer term with the exception of June 13 for which a picnic is planned, there will be entertainment, games, and dancing starting at 7 o'clock at the Memorial Union building.

Campus Hour on each Tuesday will provide discussions of professional topics by prominent educators

which will be held in the Memorial Union building.

Campus Junkets, a series of conducted visits to some of the interesting spots on the campus, on Wednesday evenings will be entertaining as well as informative. A mineral fair-land, a geology fluorescent display, will be visited on June 15. Later there will be junkets to Thayer museum, the Observatory, Dyche museum, the department of design, and an illustrated lecture on "Color Photography" will be given by Oren Bingham, photographer.

Thursday's Campus Hour will include faculty recitals, band and orchestra concerts, community sings, and other musical attractions. Musical entertainment will also be offered on Fridays and Sundays.

Every evening, facilities will be available for croquet, badminton, archery, deck tennis, volley ball, and golf. New croquet and archery equipment has been purchased and will be placed on the lawn in front of Fowler Shops. Tennis courts and a 6-hole golf course are available at all times.

Leagues and tournaments for men students and faculty members will be conducted in soft ball, handball, golf, tennis, badminton, deck tennis, and horseshoes. Dr. Forrest C. Allen,

professor of physical education, said that leagues will be patterned after the Big Six. The names of the teams will be Jayhawkers, Tigers, Cornhuskers, Wildcats, Sooners, and Cyclones. There will be a suitable trophy for the winning teams. Doctor Allen suggested that it might possibly be ice cream cones, but at any rate, it will be edible. Men who would like to play on these teams are asked to register on the bulletin board on the first floor in the men's gymnasium.

A men's swimming meet will be held near the end of summer school. Pool hours for men will be: Tuesday, Thursday, and Saturday from 3:30 to 4:00 elementary swimming; 4:00 to 4:30, intermediate swimming; 4:30 to 5:30, open hour; and from 2:30 to 3:30 on Monday, Wednesday, and Friday, open hour.

Pool hours for women will be: Monday, Wednesday, and Friday: 3:30 to 4:00, elementary swimming, 4:00 to 4:30, intermediate swimming, 4:30 to 5:30, open hour; and from 2:30 to 3:30 on Tuesday, Thursday, and Saturday, open hour.
