The Servicemen's Club is fast approaching the 5000 mark so far as registrations are concerned. The 4000th man registered this past week-end and was given a free telephone call to his home in Iowa! This gift is given to each thousandth man to register, and so far we have paid for calls to Vancouver, Washington; St. Louis, Mo.; Joliet, Ill. and a town near Des Moines.

Due to the large number of service units on the campus and the necessity of the men marching to and from classes, a speed limit for automobiles has been set at 15 miles per hour.

Joliffe Hall will be used for women students for this coming year according to an announcement made by the Dean of Women's office. Carruth and Battenfeld will be men's scholarship houses as they have been in the past.

The John Moore Co-op has moved to 1409 Rhode Island, a house formerly occupied by the boys but known as the Rock Chalk Co-op. A girl's Co-op group will occupy what was the John Moore house.

Lt. Col. W. McMorris is the new commanding officer for the A-12-ASTP and ROTC program. Colonel Washington has been granted a leave of absence because of illness. Major Elverson Baker was transferred to the Area office some time ago, and Captain Smith has been ordered to another post.

The speakers for the Servicemen's Chapel service for the month of September were: Reverend Beil of the Lutheran Church; Rev. F. Hughes of the Congregational Church; and Harry O'Kane, Secty. of the Y.
