Dear Chuck:

It was mighty nice of you to write me as you did in your letter of September 8th, sending carbon copy of the letter you wrote Professor Flint. You really wrote him a very lengthy epistle, and Dick LaBarn should appreciate all the helpful suggestions that you gave him.

Chuck, I am wondering if you have a copy of the booklet that you mailed out a few years ago on Christmas regarding the life of Abraham Lincoln. I thought that was a wonderful thing that you did, and I would like to get a copy of one of those, or at least the material included in your brochure. It made a great hit with me and I am sure it made a profound impression on everyone who received a copy.

Somehow, I have misplaced mine in my files and cannot locate it. I will appreciate your helpful cooperation.

With all good wishes to you and yours, I am

Fraternally yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
