Dear Frank:

I received your letter of July 27 and was pleased indeed to hear from you. I am sending you a Jayhawk Rebounds and am putting you on the permanent mailing list. These are written on an average of about once a month.

I, too, am sorry I did not know that you were so close at hand. Had I known your address I would have stopped by and seen the family. Your Aunt Bess was so anxious to go to Independence that evening that I called off a few appointments and made the trip. I was not sorry because both of us had a very good time. I don't believe I ever saw her enjoy an evening more with her old friends.

Congratulations on your call to the Navy. I am very sure that you will be happy your whole life in doing what you have done. You were a very brave young man to leave a family your size and make the move that you have.

I am happy, too, to know of the good fortune of Euclid, Homer, Jr., and Richard. They certainly are doing mighty well, and I am very happy for them. I was happy to hear from Lois and the boys, and am wishing you and yours every good fortune.

Affectionately and fraternally yours,

Director of Physical Education,
Varsity Basketball Coach.
