Ensign Oscar N. Pederson,
Navy Training Station,
University of Kansas.

Dear Ensign Pederson:

After you told me that the Navy desired to pay for the Softballs and bats that you obtained from our department, I checked our files and find that the bill for these articles was sent to Mr. Fred Montgomery, and that he paid for them. The amount was \$16.20. If you care to settle with Mr. Montgomery I believe you should take it up with him.

Thank you for your offer of payment.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
