

October 19, 1943.

Miss Eloise Penner,
1232 Louisiana St.,
Lawrence, Kansas.

Dear Miss Penner:

Congratulations! I think the students have done nobly. I knew that they would do it because their hearts are in it. I could tell when I met them Monday afternoon that they wanted to do a grand job, and they are doing it.

We hope the drive continues as successfully as it has started.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
