Dear Captain Fuller:

In behalf of Douglas County and the citizens of Lawrence, I want to thank you most sincerely for the contribution of the Kansas City Quartermaster Depot to the success of our War Bond Rally and Auction last evening at Haskell Stadium.

The Quartermaster Chorus added much to the enjoyment of our people, and of course everyone was tremendously interested in the display of army equipment.

Your fine cooperation is deeply appreciated, and I personally want to thank you for your courtesy.

Very sincerely yours,
