Mr. Dolph Simons,
Lawrence Journal World,
Lawrence, Kansas.

Dear Dolph:

You were very kind in saying the things over the phone that you did regarding the show last night.

I do want you to know that without your guiding hand in shaping the publicity we would not have been able to have the people there to enjoy the show. The fact that you kept your hand on the pulse of the situation at all times was very assuring to me.

Thank you so much.

Very sincerely yours,

Chairman, Committee on Program and Exhibits,
Douglas County War Loan Drive.
