my good friend Phog:

Had a letter from Neiland
the other day. He is on one
of the islands and is playing
some B.B., should be ready
when he gets back. I will
have two good boys coming
off next year but none
this year but will keep my
eyes open for you.

We are having a football
rally here Sept. 20. and we
would like to have a football
film to show. I would like
to have that film Gretto showed
at Topeka during coaching
school last year, (T and single
wing). Could you get it for
me or a film of some
other good game. etc
