Rev. James W. Workman

Dear Rev. Workman:

I am sending you the Jayhawk Rebound which I promised you at the Conference Dinner at Salina. It was a great pleasure to have this fine visit with you. Only wish that we had had a longer time to chew the fat over so many important discussions.

This Jayhawk Rebound is rather a lengthy thing, Doctor. It almost competes with Montgomery Ward's catalogue but I believe that you will get the idea that we were trying to write something that would be interesting to our boys. Therefore, we have discussed sports. I have a football yarn in it. I recall the days when I formerly coached football here at the University. Many names will not be familiar to you but maybe you will like the football yarn.

With all good wishes. I am,

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach
