Dear Forrest:--

C O N G R A T U L A T I O N S .

We Jayhawkers out here are made happy again by your champion basketball team. You just keep "rolling along" with your outstanding record. You and Ernie Quigley are doing wonders at K. U. We do hope a good football team can be developed for the splendid list of games scheduled for this fall.

Mrs. Wolf joins in kindest regards to you and Mrs. Allen.

Sincerely,
