Dear friend Phog:

We are, of course, all delighted with the work that your basketball team is doing. We're not unmindful of the fact that two of your best players at present, are Wyandotte boys. Would it be possible for you to supply me with a few complimentary tickets for the game on the 18th? Several of Ray Evans' teachers and some of us in the administration would be glad to see that game, even though we are sure you are going to win it.

Very cordially,

PRINCIPAL
