Dear Max:

It was good to hear from you and to know that you have finally ended up in Chicago and going to school. I am sure that by the time you have finished you will be as big a "brain" as the mental giants of whom you speak.

It was fine to hear of Jay Kern and Bill Kern and to know that you and Jay are giving each other moral support. Your letter was certainly a morale builder for me.

We are attempting to raise our heads after the beating we took last Monday night against the Oklahoma Aggies and are already planning big things for them next year.

Thanks heartily for your most adequate congratulations and compliments concerning our basketball team. It is most gratifying to receive letters such as yours from such ardent Jayhawkers from time to time.

If in the future I am able to continue writing rebounds, I shall certainly send you your copies. With kindest personal regards,
I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
