letter. He said he had been on the  
 move and hadn't received it  
 lately and certainly missed it.

I haven't heard from the  
 one mentioned in your letter  
 in many months so all the  
 men I got of Rotary and Lawrence  
 in from Athens. Following your  
 letter I received one from  
 Roy Allen and Gerald Hesse. Both  
 were deeply appreciated and closed  
 a rather wide gap. I hadn't  
 realized it but the letters you  
 these words would shorten  
 the lines considerably. You really  
 feel closer after getting them.

Enjoyed seeing Neal and Luke  
 when they were here. We will see them again
