Dear Phog

I am indeed sorry I
neglected this. I had thought
my wife was including my
donation from K.U. with her.
Found out last night she gave
ten dollars as her contribution
so here is mine with apologies

Sincerely,

Henry W.

Dear Sirs:

I desire to order one copy of THE PHYSIOLOGICAL BASIS OF MEDICAL PRACTICE, Second Edition (or later) by Charles Herbert Best and Norman Burke Taylor. Since I do not know your school price on this text I will appreciate it if you will mail it to me together with your statement, and I will send you my check by return mail.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear 'Doc':

Received your note along with two issues of the JAYHAWK REBOUNDS.

I have always known that you could sway the masses with your inimitable rhetoric but did not know that you were a literary genius as well. I know that this takes a lot of work on your part but it is certainly a splendid thing to do for the boys overseas and I know that it is greatly appreciated as anyone reading the REBOUNDS appreciates the time and thought that you have given to them for the purpose of keeping our boys overseas thoroughly informed - and from their top master particularly, 'Phog' Allen.

Larry^{jr.} would like very much to be on the receiving end of these REBOUNDS and if it is not too much trouble would you kindly put him on your mailing list? His address is 4517 Roanoke Pkwy.

With very best wishes to you and Mrs. Allen, I remain

Yours very truly

Larry Winn
