

Argument —

The Claims are:

1. Indiana is known As The basketball State of The Nation
2. - More basketball is played in Indiana than Any other State in the Union (by Number of teams And basketball Attendance)
3. The system of High School Tournaments was Originated in Indiana.

— Claims by The Opposition —

- 1 - Outcome of National AAU Tournaments should be reasonably Accepted As A criterion of what Section of The country sponsors The best brand of basketball And in This respect Kansas + Missouri, As well As Oklahoma ~~are~~ have consistently won more AAU Titles than Other States
- 2 - There Are no High School Teams better known for good basketball over a period of Time, than Newton, Kansas.
