

a little disgusted with the set-up  
I'm stuck in now. I really enjoy  
the "Rebounds" very much, and hope  
you will continue sending them  
my way. They are really swell  
& keep up with fellows you've  
gone to school with, and played  
on the same teams with.

Thanks again and with best  
regards I remain,

Sincerely,

Harlan C. Altman
