Dear Dr. Allen,

I certainly enjoyed your "Rebounds" of April 7. I was especially glad to hear about Fen Duward and J.P. Hunter. I imagine they would be glad to trade places with me, and I know for sure I would be glad to trade with them. Not that I've got any ideas of being as good a man as either of them, but I hate to be in this country and having someone do a job that I should be doing for myself. I have requested a transfer to the Infantry as the Chairman Anti Aircraft seems to have left me sitting.

By the way Dr. Allen have you any suggestions for some games or exercises for a bunch of 7 F's as I have a Bty. of men who seem to all be cripples. It is really a problem to try and carry on a training schedule with such men.

Please excuse the bitterness in the first paragraph as I am
