To Whom It May Concern:

I am very happy to commend for your consideration Mr. Calvert Johnson Winter, Jr., whom I have known for the past ten years. I have had Mr. Winter on my varsity baseball squad and have come in contact with him in the class room.

I have found him at all times a clean, personable and earnest young man. He is a student in the Medical School of the University of Kansas at the present time. He is an excellent student and his interests in his fellow man are deep and sincere.

In my opinion he is an especially safe and valuable man in his chosen profession. He has a fine character and an affable and likable personality. I am glad to recommend him without reservation.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
