DEAR DOCTOR ALLEN —

Just a few lines to let you know how much I've enjoyed receiving the "Rebounds", and that I'll be home before long for a personal chat. I've been very lucky in being stationed close to London, Paris, + Brussels; they are all quite interesting. Was fortunate enough to be able to spend two weeks at the front to see how the other half lived and fought.

Our group, being the oldest medium bombardment group in the E.T.O., is to remain here as a part of the occupational Air Force. However, those of us with over fifty missions are to be sent home for awhile, then —

Give my regards to Mrs. Hutteen.
Until I see you, I remain

Respectfully yours
Harold
