

As might be suspected, the
\$64 question among the 'kids'
is 'when do we go home'?
Can't say that I blame them
- among other pleasures, an afternoon
at the Mo. Ath. Club is one of
my complexes. I've judged
myself to at least a couple of
hours under a hot muddle
showers!

Please remember me to Mrs.
Allen and with kindest regards
to you, remain

Sincerely
Ray Wenzel
