

UNITED STATES MARINE CORPS

like streams and boshes from the air.

I recieve the Jayhawk Rebounds regularly MR. Allen and thanks alot for keeping me on your mailing list.

I suppose Coach Sheak and Sheake are getting their boys in shape for this falls schedule aren't they. Is it to early for your team?

How is the Rotary Club? I got alot out of those meetings getting to meet all those swell fellows and shake their hand.

I hope everything is fine and well with you and the best of luck to you with your coming basketball team.

Most Sincerely,
Jim Williams
